

A special note from Bob McBride, MAB President 1980...

5-14-2009

Dear Karole -

Thank you so much for your thoughtful invitation to the 60th observance of the MAB at The Grand Hotel.

I regret I will not be able to attend. The progress of the MAB is a tribute to your skill and hard work and you are to be congratulated for all that has

accomplished. I have thousands of great memories of pleasant and productive years and friends in Detroit and Michigan - and

I send my heartiest best wishes to you on this special occasion!

- Bob McBride
